UPCOMING EVENTS

Even though we are just a few weeks into winter, we are planning our Spring events-

But first— Dan Sprouse, the club President has plowed the last several years. With all his other responsibilities, we are looking for a couple more members with plows to help. The club does provide some reimbursement for plowing.

Let us know if you can help.

OK, onto Spring:

The Pancake Breakfasts resume in April. These are super fun crews that run these and it's a great way to meet some fellow shooters. You don't even have to be a chef!

We will have lots of projects this year as well— rebuilding the burn area, replacing the lights at the rifle range, some electrical work and more! Stay tuned

Intentional Damage

The rifle range has seen the addition of the steel targets this year, and they seem to be a hit.

Unfortunately, there's been some unnecessary damage to the posts that hold up the backers on the rifle range.

**PLEASE DO NOT STAPLE
YOUR TARGETS TO THE
POSTS OR SHOOT THE
POSTS ON PURPOSE.**

If we see people doing either of these, your membership will be

revoked. Volunteers install a lot of backers and posts every year, and to come out a day after new posts have gone up to see them shot off, is quite disheartening; we can only assume someone is doing this on purpose.

If you see this happening, please notify us and we will check the security cameras and take the appropriate action. You can always send us an email at info@fennvillerochandgunclub.com

to Rifle Range

and report when you saw this and we will take a look at the security footage to find those responsible. If everyone helps to keep watch, the problem will resolve itself.

We've also notified the local authorities of this problem and they will be patrolling the range to see if there is any mischief going on. Please... respect the range and it's members.

Change to Calcutta, Friday Night & Meeting Schedule

**EFFECTIVE
IMMEDIATELY**

We are changing the **Sunday Calcutta** schedule from the 2nd Sunday year round, to now being hosted April through October. Calcuttas will begin again in April.

The **Friday Night Fun** shoots will also follow the same schedule and will resume in April.

There has not been enough interest to continue to run these year round. Rifle range folks— this means more range time for you during the year on Sundays and Friday nights.

Also, the Saturday Trap and Skeet shoots **typically** end by 3:00 pm on Saturdays. If you want to use the rifle range, call the club and see if Trap & Skeet are done for the day.

Membership Meetings are going to be held bi-monthly starting in February- The new schedule will be February, April, June, August, October, December. Meetings will be still held on the 2nd Thursday at 7:00 pm at the club. It's a great way to make your voice heard, see what's happening at the club and give your input on all topics.
