RIFLE RANGE & PROJECTS

We've had some vandalism at the Rifle Range as of late- This is why it's important to wear your club membership card and confirm with others on the range they are members.

Projects for the upcoming year will include Rebuilding our burn area and redoing the huge outdoor grill. Got skills in these areas? Lend a hand!

2016 SEASON:

FRGC is open for trap and skeet shooting on Saturdays all year long. Tuesday nights will resume in April. Don't forget about the Friday Night Fun Shoot- Last Friday of the Month. The calendar of events is available on the website!

The Rifle Range is always open to members and their guests only when no other activity is scheduled.

The rifle range combination lock will change by March 31st. New combination is located on your 2016 membership card.

As always- please remember to leave the range at least as good as you find it. Remember the rifle range is *always closed* during skeet and trap shooting hours and special trap/skeet events.
