More Range Time? You Betcha!

The Board has been working hard to give our rifle range shooters more range time so we've made a couple changes-

Hunters Safety is now being shot from trap field #1 freeing up the range.

CPL classes will now use just the pistol bay portion for a short time on the day of the class, around 1:00 to 3:00 roughly.

Hunting season is here & the range is getting busier- please remember:

- Display your Membership card. Landmarks are in the case. If you don't see the person with a membership card, please ask to see it.
- 2 guests are allowed 3 times per year
- **NO EXPLODING TARGETS ALLOWED AT THE RANGE!** We've already had one incident. Please respect the rules.
- Help the volunteers - take down your targets & sweep your brass. Thanks!
