## ANTI-HUNTING LAND BILL UP IN HOUSE COMMITTEE

SB 280 is the anti-hunters dream. Use public money to convert game areas that are open for hunting into wildlife sanctuaries where Michigan's wildlife would be free from Michigan's hunters. If you hunt, fish, or trap in Michigan, SB 280 is your nightmare.

**And if SB 280 passes the House, your nightmare will become a reality.**  
SB 280 wants to use public

money to "buy out" your hunting interest in public hunting lands all over the state. It will convert your game area into golf course or soccer field.

**Do you know the number one reason people stop hunting? They stop hunting because they've lost a place to hunt!**

We are counting on the Michigan House of Representatives

to STAND FOR MI HUNTING LAND and reject SB 280's attack on our hunting heritage. But they need to hear from you, **please take one minute right now to make that phone call.**

Tell your Representative to keep hunting land & oppose **SB 280.**
